# UMS Adventure Camp

Offers a variety of programs and fun-filled experiences to interest campers 7 to 13 years of age. Each week campers will be involved in Sports, Science, Tech, and/or Art-based activities in the morning and will have an option to go swimming or participate in outdoor activities such as hiking, hip-hop, or archery in the afternoon. Specialized teachers will run this exciting camp in small group settings. Enrollment is weekly. **Register early, limited spots are available.**

**Coding 101:** We step into the matrix this week as campers learn the basics of coding. Campers will learn how to code games, web pages and robotics. This life long skill will be essential in the world of tomorrow.

**Multi-sport:** Not sure what your favourite sport is? Why not try them all?! Campers will play a wide variety of sport activities including flag football, soccer, hockey and basketball.

**Art Attack:** Even Michelangelo started somewhere. Campers will discover different mediums and explore their artistic talent this week of summer camp.

**Week 1 June 29th-July 3rd**

**Field Trip: The Hub Rock Climbing**

**Minecraft:** Wish you were living in a Cube World? This week campers learn how to create, explore, and put their problem solving skills to the test by building and coding with Minecraft.

**Tennis:** Volley, set, serve! Campers practice their tennis skills and participate in a friendly match. Our campers would make Bianca and Milos proud.

**Being Dramatic:** To be or not to be? Campers will learn to think creatively and express themselves through exciting role-playing, theatre games and learn the art of improvization.

**Week 2 July 6th- 10th**

**Field Trip: Air Riderz**

**Photoshop:** Be paparazzi! Campers will learn to use photo editing and publishing tools and techniques, to create their own photo display by the end of the week.

**Soccer:** Adventure Camp is playing the beautiful game this week! Campers will learn the key skills of passing, shooting, and coordinating as a team playing soccer.

**African Drums:** Campers feel the beat this week as they improve their listening, coordination, and gross motor skills, by participating in this fast-paced, upbeat rhythmic drum playing.

**Week 3 July 13th- 17th**

**Field Trip: Bruce's Mills**

**Animation:** Learn how to be the next Walt Disney or Hayao Miyazaki this week! Campers will make stories come to life as they learn programs and techniques to create animated movies on a digital platform.

**Volleyball:** What is that in the sky? Is it a cloud? A bird? A plane? No wait...it's a volleyball! Campers will practice their bumps, spikes, serves, and volleys this week playing volleyball.

**Move Your Body (Dance & Yoga):** Get ready to stop, drop, wiggle, and pop! Campers will explore the joy of movement while improving their balance and gross motor skills.

**Week 4 July 20th- 24th**

**Field Trip: Ontario Science Centre**

## Swimming

Campers will have an option to go swimming twice a week, every other day. Campers will be tested and placed in appropriate swimming groups and will be accompanied and supervised by swim leaders.

**Week 5 July 27th- 31st**

**Field Trip: Milliken Mills Splash Pad and Park**

**3D Printing:** Welcome to the future. 3D printing is a revolutionary technology which allows anyone to build almost anything. This week we use software to design and build objects and print them using UMS' 3D printers.

**Badminton:** Little birdies flying through the sky, you won't hit them unless you try! This week is badminton; practise your serves and your smashes at Adventure Camp.

**Master Chef:** Get your inner Gordon Ramsey on and join Adventure Camp as we cook up a storm. This week campers will practise essential kitchen techniques and master the fundamentals of cooking.

**Digital Comic Book:** Have you ever wanted to make your own superhero comic book and Augmented Reality characters? Join us for a creative tech week looking at building your own digital A.R. comic book.

**Basketball:** Want to be an NBA Champ? This week campers will learn ball handling, as well as essential rules and strategies, while shooting hoops.

**S.T.E.M. Challenge:** Investigate, explore, design, and engineer. Campers will integrate Science, Technology, Engineering and Math to create masterpieces that will be tested for durability, precision, and design.

**Week 6 Aug 4th- 7th**

**Field Trip: Loblaws Cooking School**

**Week 7 Aug 10th- 14th**

**Field Trip: Markham Bowling**

**Movie Mania:** Campers will make beats like Drake or symphonies like Mozart, movies like Disney or shorts like Pingu. This week we explore multiple song and video editing software to make masterpieces.

**Flag Football:** Pass, catch, and touchdown! This week campers will practice their tactics in games of flag football.

**Mad Scientists:** A dash of science and a sprinkle of sunshine creates the potion for the ultimate summer experience. This week, campers will be involved in mad experiments exploring crazy scientific concepts.

**Robotics:** Control and program little digital minions! Learn about the basics of robotics and experiment in order to make robots obey your every command.

**Floor Hockey:** It's time to get your gear on. Practice your shots, passes and saves this week while playing hockey games and practicing drills!

**Builder's Paradise:** Get ready for a wacky week creating countless crazy constructions. Campers will learn about strength and stability as they compete to build structures.

**Week 8 Aug 17th- 21st**

**Field Trip: North Beach Volleyball**

**Week 9 Aug 24th- 28th**

**Field Trip: Putting Edge**

**Minecraft:** Wish you were living in a Cube World? This week campers learn how to create, explore, and put their problem solving skills to the test by building and coding with Minecraft.

**Multi-sport:** Not sure what your favourite sport is? Why not try them all?! Campers will play a wide variety of sport activities including flag football, soccer, hockey and basketball.

**S.T.E.M. Racers:** Campers will build modes of transportation from planes and trains to automobiles. By the end of this week campers will be faster than Ford and Ferrari.

## Fridays

Every Friday, Adventure Camp goes on an adventure! Whether it be hiking, rock climbing, or a field trip to a top tourist attraction in the city, expect to have a great time.

# Registration

A further breakdown of weekly fees and options is provided on the accompanying registration form. Listed prices include before and after camp care, transportation to field trips and trips to the swimming pool twice a week.

## UMS Reach to Achieve Tutoring Programme

## UMS English As a Second Language (ESL) Program

The summer ESL program will provide children the opportunity to learn and improve their English in and outside of the classroom. In the morning, students will be placed in groups according to their level of proficiency (beginner, intermediate, or advanced) and participate in a structured program. Focus will be placed on both written and oral skills, developing their grammar, vocabulary, pronunciation, and conversational skills. During the afternoon, students will participate in camp activities where they will have the opportunity to practise their English in a social setting.

- ✓ English Language
- ✓ Certified teachers, low teacher-student ratios
- ✓ Formal assessment / Beginner, Intermediate, or Advanced Grouping
- ✓ Written grammar, spelling, sentence structure
- ✓ Oral vocabulary, pronunciation, and conversation skills
- ✓ Morning Tutoring (9:00-11:30 am) and Afternoon Camp Activities (1:00-3:30 pm)
- ✓ No extra charge for early drop-off or late pick-up (7:00 am - 6:00 pm)

## Ages 4 - 13 years

- ✓ Tutoring in Math and Language
- ✓ Formal assessment / Individual Education Programme
- ✓ Certified teachers, low teacher-student ratios
- ✓ Morning (9:00 am - 11:30 am) and Afternoon (1:00 pm - 3:30 pm)
- ✓ Can work in combination with our Summer Camp (7:00 am - 6:00 pm)
- ✓ No extra charge for early drop-off or late pick-up

**Tutoring in Math and Language for children ages four to five years old is taught using the Montessori approach.**

# UMS Discovery Camp

**UMS Discovery Camp** for campers ages 3 to 6 is designed to provide campers with a variety of unique, fun-filled experiences in a safe, nurturing environment. Campers are divided into age-appropriate groups supervised by a qualified childcare worker and an assistant, and participate in the following morning and afternoon activities:

## Trip and Visitor Schedule:

- Week 1:** Duffle Bag Theatre Company
- Week 2:** Brook's Farm
- Week 3:** Mystic Drums
- Week 4:** Candyland Indoor Playground

- Week 5:** Chamelea Centre Workshops
- Week 6:** Kreative Kidz Art Bus
- Week 7:** Sky Zone
- Week 8:** Dan The Music Man
- Week 9:** Milliken Mills Park Sr/WonderPhil Jr

Campers express and develop their creativity in the Arts while working with a variety of different media, including painting, sculpting, drawing and collage.

Campers express themselves creatively through songs and instruments. The basic elements of music – rhythm, melody, dynamics, phrasing and form will be introduced to the campers through activities involving singing, movement, and playing simple Orff instruments.

Activities will build an understanding of key science concepts. The campers will discover various topics in Life, Physical, and Natural Sciences. Hands-on experiments will develop process skills such as observing, describing, discussing, comparing and predicting.

Campers will be exposed to the integrative AIM French Teaching Method, which uses action based activities in drama, dance and music to teach the French language.

Campers are given an opportunity to enjoy learning through use of technology with this program. A variety of fun, interactive and educational software/apps engage campers' imaginations and help build their technical skills such as creating their own stories with accompanying artwork and voice recording on iPads.

Campers will participate in fun-filled gross motor activities, including sports and gymnastics. They will develop positive attitudes and learn to work together while staying physically active.

In this room, campers learn specialized activities each week. From discovering life skills such as cooking and sewing, to learning healthy living activities such as dance and yoga, our specialty room offers campers interesting, fun, and helpful knowledge.

Campers will participate in a host of special days scheduled throughout the summer, such as crazy hair day and pajama day. A field trip or a visit from a special guest is scheduled every Friday. Campers will also participate in weekly water play activities when weather permits.
